

PRESENTERS:

Phronsie Owens, BS, RN, CADDCT, CDP
Trudy C. Lowe, MBA, NHA, ALA, CDP

Seminar Goals and Objectives:

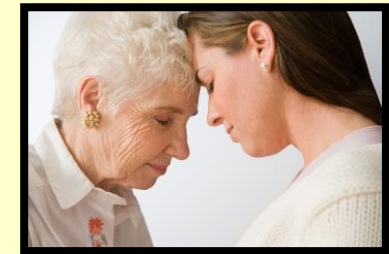

1. To learn the fundamentals of dementia and Alzheimer's care.
2. To learn common causes of aggressive, repetitive, and sun downing behaviors in people with dementia.
3. To learn effective communication techniques, including reducing elopement risks.
4. To learn interesting, failure-free, and success-oriented activities to engage the person with dementia, practical tips for personal care.
5. To learn how the senses are affected by aging and dementia, and the importance of color and contrast.
6. To participate in the dementia tour.
7. To learn common dementia "behaviors" and how to manage "behaviors" without anti-psychotic medications.

Registration Information:

Tuition is \$150.00 per person. This fee includes registration, handouts, lunch and snacks, and continuing education hours. You will receive confirmation of your registration once payment is received. You are enrolled unless otherwise notified. PHS reserves the right to cancel seminars based on insufficient enrollment. Registrants who need to cancel must provide PHS with written notice no later than one week prior to the seminar date. Cancellations are refundable less a \$50.00 administrative charge. Substitutions may be made at any time. Continuing Education credits issued will be cancelled for non-payment of required fees.

Alzheimer's and Dementia Care: Managing Difficult Behaviors Without Antipsychotic Medications Including: A Real-World Dementia Tour

Date: March 29, 2023

**Location: Cherokee County Health & Rehab Center - Education Building
877 Cedar Bluff Road
Centre, AL 35960**

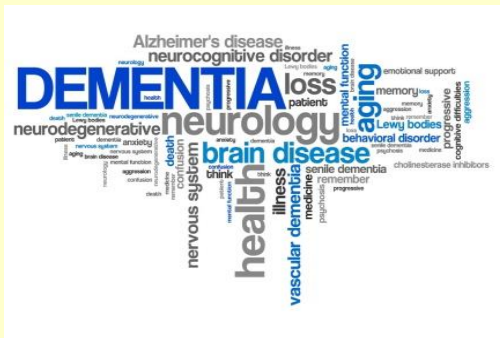

Time: 8:00 am to 4:30 pm

WALK 10 MINUTES IN THE SHOES OF DEMENTIA

Are you ready to really learn about dementia? About how people with dementia live every day? Are you ready to experience the sensory deprivation most people with dementia experience?

This seminar will teach the most common problems people with dementia live with every day. The student will experience real-world dementia living.

Come spend some time in the world of those with dementia.
